Deluxe Viral Disinfection Kit

Inactivates Viral Pathogens

This kit is designed to allow anyone to quickly make disinfectant solutions which are effective against contagious viral and bacterial pathogens including Human Corona Virus, Influenza, Adenovirus and many others.

64 Millennium Q (EPA Reg no. 1839-95-5449) has demonstrated effectiveness against viruses similar to 2019 novel coronavirus (SARS-CoV-2) on hard, non-porous surfaces. Therefore, this product can be used against SARS-CoV-2 when used in accordance with the directions for use against Norovirus (Norwalk Virus) on hard, non-porous surfaces.

Makes 4 full quarts of Hospital Grade Disinfectant.

Check List of High Touch Critical Surfaces:
